

→ Sweco Building Standards at-a-glance

Ruth Sellen
ruth.sellen@sweco.co.uk

Your trusted partner

As the only Building Control Approver to offer ISO 17020 accreditation, Sweco is in a unique position to help clients fully meet their obligations. Our advisors and duty holders can provide validation and verification activities for work in all sectors including high rise buildings.

Paul Eggleton
Head of Building Standards

“

Class-leading advisory

We provide a unique regulatory and consultancy service that is specifically co-ordinated to meet the responsibilities being imposed through the Building Safety Act and BCAR, amongst others. Our Building Control, Fire, Health & Safety and Assigned Certifier teams all focus on flexibility, offering both proactive, jargon-free, commercially-driven support that helps our clients to identify, address and fulfil various obligations across all types of projects.

Let's transform society together through...
